

## State Street, 9000 South to 10600 South

**Project Description:**            **Design and construction, roadway reconstruction without widening**

This project is a partnership between UDOT and Sandy City. The Utah Department of Transportation is currently underway designing the improvements of State Street from 10600 South to 9000 South. The project will include improvements to the intersections at 9000 South, 9400 South, 9620 South, 10000 South and 10600 South.

**Total Project Budget:**            **Approx. \$21 million (Commission approved amount & current cost estimate)**

### **Anticipated Schedule:**

- Environmental Study -- March 2004 to February 2005
- Design -- March 2005 to May 2006
- Construction -- Fall 2006
- Right-of-Way Acquisition -- May 2005 to March 2006

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.
